# RALLY:

## SIX YEARS TOO LONG

# CLOSE THE CAMPS

# BRING THEM HERE

## 2pm Sat JULY 20

**State Library (cnr Swanston & La Trobe)**

The Coalition has presided over almost 6 years of cruelty to refugees on Manus & Nauru, including 12 deaths offshore. But the re-elected Morrison government has no mandate for anti-refugee racism.

July 19 marks the 6th anniversary of Kevin Rudd's announcement that "any asylum-seeker who arrives in Australia by boat will have no chance of being settled in Australia". Agreeing with the Liberals hurts refugees and it didn't stop Labor being defeated then or now.

We need to take to the streets, now more than ever. We can build a movement that can get everyone off Manus & Nauru and free all the others who seek asylum here.
